

Global Village Program

GLOBAL VILLAGE MONTHLY UPDATE

June 2010

Be the change

Check the [Global Village trip schedule](#) to plan your next adventure. Trips are always being added!

Featured Global Village trips

[Yogyakarta, Indonesia \(November 5-20, 2010\)](#)

Build in Yogyakarta, the "cultural heart" of Indonesia where tradition meets modernity. If you are an open-minded and adventurous person and want to experience the beauty Indonesia has to offer, this is the trip for you. No special language or construction skills are required!

[Bomet, Kenya \(September 18-29, 2010\)](#)

We will be traveling to the Rift Valley to work with Kenya Habitat to build affordable homes and help with housing-related needs. It will be an adventure! Our team will work hard, labor alongside some great people and learn what it means to be part of a "Global Village."

[Feira Nova, Brazil \(August 21-29, 2010\)](#)

Come experience the incredible culture of northeast Brazil and help the amazing women of Feira Nova and their families dramatically improve their lives!

[Macedonia \(August, September or November 2010\)](#)

We are looking for volunteers to join us in the beautiful country of Macedonia working alongside our Habitat partners in Veles. No building experience is necessary. All you need is a flexible spirit, open mind and a willingness to work with a committed team of volunteers. See the [Macedonia country profile](#) or Europe/Central Asia section of the [Global Village schedule](#) for more information.

Trip cancellation insurance policy

All trips from the U.S. sending program departing on or after July 1, 2010 will not be covered with trip cancellation insurance. The [travel medical insurance coverage policy](#) will remain the same. View the trip cancellation insurance FAQ to learn more about [trip cancellation insurance](#) and this policy change.

For more information and tools for a successful trip, visit the [Global Village participant resources](#).

Global Village volunteer wins Habitat World photography contest

Neil Reid, a 33-year-old civil engineer from Dromore, Co-Down, Northern Ireland, captured his photograph "New Hope" while participating in a Global Village trip in Mozambique. [Read about the Habitat World photo contest and see the photos now.](#)

Want to see more images? Habitat for Humanity International photographer Steffan Hacker created his video "[Room to grow](#)" after a Global Village trip to Mongolia. See the complete piece on Mongolia is available on the [Habitat World site](#).

Thrivent Builds Worldwide: Multiple trip opportunities available!

Join a Thrivent Builds Worldwide trip today. Upcoming trip opportunities include:
