FREQUENTLY ASKED QUESTIONS:

WHO IS FRONTIERMEDEX? Since 1977, FrontierMEDEX has been assisting travelers worldwide by utilizing highly trained, multilingual coordinators in conjunction with an extensive information and communication system to provide medical and travel-related assistance.

WHEN SHOULD I CONTACT FRONTIERMEDEX? Coordinators are available 24-hours a day, every day of the year. Many times people assume that the services are to be used only in serious cases. Be assured that FrontierMEDEX is there to help you with any type of problem regardless of the severity.

WHAT IF LOCAL MEDICAL FACILITIES ARE INADEQUATE? If, through our medical management, it is determined that local medical providers are inappropriate for treatment, FrontierMEDEX will arrange for a medically safe evacuation to a facility capable of providing the necessary care.

WHAT HAPPENS IF I AM HOSPITALIZED? It is important to notify FrontierMEDEX as soon as possible so your treating physician can be contacted to assess your condition and treatment plans to ensure your safe recovery. FrontierMEDEX will then update your family, employer/organization and personal physician as appropriate and assist you until you have returned home or have received final treatment.

Detach and carry with you at all times.
