### **Thank you for supporting Collegiate Challenge**

Every year, dozens of RV Care-A-Vanners serve as temporary assistant construction supervisors and support volunteers for Habitat for Humanity's Collegiate Challenge, an alternative break program for students 16 to 25 years of age. Collegiate Challenge is one of the largest and most renowned alternative break programs in the world. The success of this program would not be possible without the commitment and skill hundreds of RV Care-A-Vanners offer, and we are grateful for your support. Learn more about Collegiate Challenge at [www.habitatyouthprograms.org/colchal](http://www.habitatyouthprograms.org/colchal).

Thank you to all of you who have volunteered to help supervise high school and college students during Collegiate Challenge Spring Break 2009!
