**REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS**

To the Governing Board  
Habitat for Humanity International, Inc.:

**Opinion**

We have audited the consolidated financial statements of Habitat for Humanity International, Inc. (a nonprofit organization) and its subsidiaries (collectively "Habitat"), which comprise the consolidated statements of financial position as of June 30, 2024 and 2023, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of Habitat as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**Basis for opinion**

We conducted our audits of the consolidated financial statements in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Habitat and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Responsibilities of management for the financial statements**

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Habitat's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

**Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Habitat's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Habitat's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Habitat for Humanity International, Inc.**

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

**June 30, 2024 and 2023**

**NOTE 1 - ORGANIZATION AND PURPOSE**

Driven by the vision that everyone needs a decent place to live, Habitat for Humanity found its earliest inspirations as a grassroots movement on an interracial community farm in South Georgia. Since its founding in 1976, the Christian housing organization has since grown to become a leading global nonprofit working in local communities across all 50 states in the U.S., Puerto Rico, and more than 70 countries. Families and individuals in need of a hand up partner with Habitat for Humanity to build or improve a place they can call home. Habitat homeowners help build their own homes alongside volunteers and pay an affordable mortgage. Through financial support, volunteering or adding a voice to support affordable housing, everyone can help families achieve the strength, stability and self-reliance they need to build better lives for themselves. Through shelter, we empower. To learn more, visit [habitat.org](http://habitat.org).

Habitat is comprised of the organization's headquarters based in Georgia, U.S.A.; its area and regional offices worldwide; and the national organizations that are registered as branches of Habitat.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Principles of Consolidation***

The accompanying consolidated financial statements as of and for the years ended June 30, 2024 and 2023, include the activities of:

1. Habitat's area and regional offices.
2. Eleven national organizations that are registered as part of Habitat for Humanity International, Inc.
3. Habitat Capital (formerly Habitat Mortgage Solutions), HMS Loan Fund 1, LLC., Habitat for Humanity of Puerto Rico, LLC., and Habitat for Humanity-Middle East, which are wholly-owned subsidiaries.
4. MicroBuild I, LLC (MicroBuild) and Habitat MicroBuild India Housing Finance Company Private Limited (MicroBuild India), in which Habitat effectively has control and an economic interest.

All material intercompany accounts and transactions have been eliminated in preparing the accompanying consolidated financial statements.

***Cash and Cash Equivalents***

Habitat considers all highly liquid investments with an original maturity of three months or less, when purchased, to be cash equivalents, with the exception of cash held for reinvestment which is included in investments. Habitat maintains its cash and cash equivalents in bank deposit accounts which, at times, may exceed federally insured limits. Habitat has not experienced any losses in such accounts. Included in cash and cash equivalents is restricted cash of \$72,797,000 and \$69,259,000 as of June 30, 2024 and 2023, respectively. As of June 30, 2024 and 2023, \$26,309,000 and \$21,012,000, respectively, was held in banks outside of the United States, and these amounts are not covered by insurance.

Habitat for Humanity International, Inc.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

June 30, 2024 and 2023

**Investments**

Realized and unrealized gains and losses on marketable securities are determined by using specific identification. Investment income and net increase (decrease) on investments of donor-restricted endowments are reported as follows:

1. As increases in net assets with donor restrictions if the terms of the gift or relevant state law require that they be added back to the principal of the contributions with donor restrictions held in perpetuity.
2. As decreases in net assets with donor restrictions when there are losses that reduce the fair value of the assets of endowment funds below the required level and as increases in net assets with donor restrictions when there are gains that restore the fair value of the assets of endowment funds to the required level.
3. As increases (decreases) in net assets with donor restrictions, in all other cases.

**Investments in unconsolidated partnerships**

Habitat owns limited partnership interests in four CAG National Funds. The ownerships are 55%, 42%, 46% and 57% respectively. The companies were created to acquire vacant homes through the Department of Housing and Urban Development's Federal Housing Administration Office of Asset Sales. Because Habitat does not have control of these partnerships, Habitat's interest is accounted for under the equity method of accounting.

**Contributions Receivable**

Contributions receivable that are expected to be collected within one year after June 30, 2024 are recorded at net realizable value. Contributions receivable that are expected to be collected in future years are recorded at their fair value based on the present value of their estimated future cash flows and are discounted at the rate applicable to the year in which the contribution was made. The discount rates used reflect the assumptions about market risks that are not otherwise considered in the cash flows.

Habitat does not recognize conditional promises to give as receivables. Habitat recognizes a receivable only to the extent a condition (barrier) has been satisfied. As of June 30, 2024 and 2023, conditional promises to give amounted to \$5,419,000 and \$2,755,000, respectively, and are not recorded in the accompanying consolidated financial statements.

**Investor Notes Payable**

Investor notes payable are special obligations of Habitat secured solely by affiliate general obligation promissory notes (affiliate notes receivable), which are, in turn, secured by mortgages or real estate assets held by the affiliates. The notes are payable over three to 10 years. The proceeds received from investor notes payable were disbursed to those affiliates that signed affiliate notes receivable with Habitat. Affiliate notes receivable are collectible over one to 10 years and are secured by mortgages or real estate assets held by those affiliates. The investor notes payable and affiliate notes receivable have interest rates ranging as follows:

	2024	2023
Investor notes payable	0.0% to 4.5%	2.0% to 5.0%
Affiliate notes receivable	0.0% to 5.5%	1.0% to 5.0%

**Habitat for Humanity International, Inc.**

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED**

**June 30, 2024 and 2023**

For issuances prior to June 30, 2015, Habitat required that each of its affiliates post a cash reserve equal to one quarter of the annual debt service to safeguard against potential nonpayment by the affiliate. The reserve funds are invested in money market funds or certificates of deposit and are recorded as cash and cash equivalents and investments in the consolidated statement of financial position.

The real estate securing these mortgages is concentrated in the states of North Carolina (17%), Colorado (12%), Florida (11%), Washington (10%), and Minnesota (7%). The remaining balance is secured by real estate in cities located throughout the United States, with no state comprising more than 6% of the balance.

***Due From/To Affiliates***

Due from affiliates consists primarily of non-interest-bearing, unsecured, demand notes from Habitat affiliates in the U.S. The measurement of expected credit losses under the Current Expected Credit Losses (CECL) methodology is applicable to financial assets measured at amortized cost, including due from affiliates. Past loan performance and historical experience are used to inform the forecast. The current economic climate and other conditions are used to support reasonable projections of how future conditions might impact losses. A majority of these loans originated with affiliates that are participating in the Self-help Homeownership Opportunity Program (SHOP) grant. Habitat treats 25% of the grant disbursements as a loan to affiliates that must be paid back to Habitat without interest. The Department of Housing and Urban Development (HUD) has determined that the proceeds from the loans to affiliates must be disbursed as an additional SHOP grant. Amounts loaned and collected under SHOP loans are reflected as a liability (due to affiliates) until these proceeds are appropriately redistributed or until the appropriate financial closeout report is submitted to HUD. During the year ended June 30, 2024, a financial close out entry was recorded to release funds from HUD's restriction after the grant term expiration date for the SHOP program year 2018, allowing \$939,000 of this balance to be recognized as other income, net in the 2024 consolidated statement of activities. During the year ended June 30, 2023, a financial closeout entry was recorded to release funds from HUD's restriction after the grant term expiration date for the SHOP program year 2017, allowing \$978,000 of this balance to be recognized as other income, net in the 2023 consolidated statement of activities.

Other amounts due from affiliates consist of advances made to participating beneficiaries for European Union (EU) grants. The advances for EU grants are held as a receivable until the beneficiary provides satisfactory reporting of the program expenditures incurred, at which point the program transfer and related revenue is recognized.

***Allowance for Credit Losses - Loans***

The allowance for credit losses is a valuation account that is deducted from, or added to, the loan's amortized cost basis to present the net amount expected to be collected on the loans. Loans are charged off against the allowance when management believes the loan balance is no longer collectable. Expected recoveries do not exceed the aggregate of amounts previously charged off and expected to be charged off.

Management estimates the allowance balance using relevant available information, from internal and external sources, relating to past events, current conditions, and reasonable and supportable forecasts. Historical credit loss experience provided the basis for the estimation of expected credit loss. Habitat has evaluated and determined minimal risk of nonpayment on affiliate loans. Management may exercise discretion to make adjustments based on various qualitative factors.

***Loans to Microfinance Institutions***

Loans to microfinance institutions are recorded in the consolidated statement of financial position at their unpaid principal amounts. Interest income is accrued based on the outstanding principal amount and contractual terms of each individual loan. Interest is collected quarterly. Once a loan becomes six months

Habitat for Humanity International, Inc.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

June 30, 2024 and 2023

delinquent in paying its obligations, interest is no longer accrued on that obligation until such time as the delinquency is cleared.

**Derivative Instruments**

MicroBuild, when deemed appropriate, uses derivatives as a risk management tool to mitigate the potential impact of certain market risks. The market risks managed by MicroBuild through the derivative instruments are foreign currency exchange rate risk and interest rate risk related to loans that are made in currencies other than the U.S. Dollar. The derivative instrument is carried at fair value in the consolidated statement of financial position and the related change in fair value is reflected in the consolidated statement of activities.

**Inventories**

Inventories represent building materials and materials to be used in construction of Habitat houses or sold in Habitat affiliate ReStores. Donated product inventory is recorded at the fair value on the date of receipt, and such items are expensed as program services expense when used or shipped to U.S. affiliates, based upon the specific identification method. Purchased inventory is recorded at the lower of cost or market determined by the specific identification method. Inventory is recorded net of any allowance for obsolescence on the consolidated statement of financial position. For the years ended June 30, 2024 and 2023, a loss for obsolescence of \$812,000 and \$914,000, respectively, is included in the donated products and advertising distributed in the accompanying consolidated statements of functional expenses.

**Land, Buildings, Finance Leases, and Equipment**

Land, buildings, finance leases, and equipment over \$5,000 are recorded at acquisition cost for purchased items and fair value for contributed items, including costs necessary to get the asset ready for its intended use. Additionally, certain application development costs incurred to develop internal-use software are capitalized and amortized over the expected useful life of the software application. These costs are included in prepaids and other assets until they are placed in service. Depreciation and amortization of assets are provided on a straight-line basis over the estimated useful lives of the respective assets, as follows:

	<b>Years</b>
Buildings and leasehold improvements	20-30 years
Furniture and equipment	5-10 years
Computer hardware and software	3 years
Vehicles	3-5 years

**Charitable Gift Annuities**

Habitat has a gift annuity program whereby it enters into irrevocable contracts with certain donors. Habitat agrees to make payments to donors at prescribed intervals over the life of the donor. The assets received are recorded at fair value, and the related liability is recorded as an annuity obligation. For the years ended June 30, 2024 and 2023, annuity obligations are recorded at the present value of expected future payments based on the 2012 Individual Annuity Reserving Table and the prevailing interest rate. Habitat maintains charitable gift annuities in a separate portfolio, and the assets are invested in accordance with applicable state laws. Total cash and investments held in the gift annuity portfolio totaled \$8,770,000 and \$8,246,000 as of June 30, 2024 and 2023, respectively.

Habitat is required to hold reserves related to its gift annuity program based on the laws in certain states in which the gifts are solicited. Such reserves totaled \$7,299,000 and \$7,152,000 as of June 30, 2024 and 2023, respectively, and are included in investments at fair value on the accompanying consolidated statements of financial position.

**Habitat for Humanity International, Inc.**

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED**

**June 30, 2024 and 2023**

***Program Advances***

Program advances relate to cash received directly from government and nongovernmental agencies, not yet expended on the program to which such funds relate. These amounts will be recognized as revenue as appropriate expenses are incurred. Habitat has recorded a program advance from a single nongovernmental agency of \$1,199,000 and \$5,290,000 as of June 30, 2024 and 2023, respectively. Additionally, Habitat has recorded program advances from a single government agency of \$3,848,000 and \$9,414,000 as of June 30, 2024 and 2023, respectively.

***Net Assets***

Habitat's revenues and gains are classified as net assets with donor restrictions and net assets without donor restrictions based on the existence or absence of donor-imposed restrictions. These classifications are defined as follows:

Net assets with donor restrictions are subject to donor-imposed restrictions. The restrictions can contain donor-imposed restrictions that permit Habitat to use or expend the donated assets as specified and are satisfied either by the passage of time or by actions of Habitat. Net assets with donor restrictions also contain the principal amount of gifts that are required by donors to be held permanently.

Net assets without donor restrictions do not contain donor restrictions or the donor-imposed restrictions have expired.

***Contributions***

Unconditional promises to give are recognized as revenue when the underlying promises are received by Habitat. Gifts of cash and other assets are reported as contributions with donor restrictions if they are received with donor stipulations that limit the use of the donated assets or are restricted as to time.

Certain grants and contracts from foundations and governmental entities are included in deferred revenue due to stipulations within the agreements that contain the right of return of funds and barriers that make these contributions conditional. These funds are recognized as eligible costs are incurred, that is, as the barriers to which entitlement depends are satisfied.

When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statement of activities as net assets released from restrictions.

Contributions with donor restrictions that are both received and satisfied within the same year are recorded as an increase in net assets with donor restrictions and as a satisfaction of program restrictions.

***Government Grants***

Habitat receives funding from several federal financial assistance programs that supplement its traditional funding sources. Grant revenue on cost-reimbursement grants is recognized after the program expenditures have been incurred. As such, Habitat recognizes revenue and records a receivable for the reimbursement amount from the respective granting agency. Such grant programs are subject to independent audit under the Office of Management and Budget's (OMB's) Uniform Guidance (2 CFR 200), as well as review by grantor agencies. Such review could result in disallowance of expenditures under the terms of the grant or reductions in future grant funds. Based on prior experience, Habitat's management believes costs ultimately disallowed, if any, would not materially affect the consolidated financial statements.

Habitat for Humanity International, Inc.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

June 30, 2024 and 2023

**Donated Product and Contributed Services**

Contributed nonfinancial assets recognized within the consolidated statement of activities included the following for the years ended June 30, 2024 and 2023 (in thousands):

	2024	2023
Donated product for use in construction	\$ 16,079	\$ 19,169
Cars for Home Contributions	15,940	15,329
Donated product for sale in ReStores	15,818	23,236
Media communication and production services	2,115	1,173
Contributed services requiring specialized skills	1,374	720
Other donated items	407	487
Total contributed services, merchandise, and other in-kind contributions at fair value	\$ 51,733	\$ 60,114

Habitat recognized contributed nonfinancial assets within revenues, support, and gains in the consolidated statement of activities, consisting of contributed construction materials, vehicles, donated product to sell in ReStores, and services, including public service advertisements. Unless otherwise noted, contributed nonfinancial assets did not have donor-imposed restrictions, other than time restrictions for pledges, and vehicles donated under the Cars for Homes program that were restricted to the affiliate in the geographic area of the donor of the vehicle. It is Habitat's policy to sell all contributed vehicles immediately upon receipt at auction.

Habitat values the donated product for use in construction at the estimated fair value, which is based upon the manufacturer's suggested retail price for the product. Cars for Homes contributions are valued at the sales price received for the cars when they are sold at auction. Donated product for sale in ReStores is valued at 30% of the manufacturer's suggested retail price for the product.

Habitat produces and distributes public service television and radio announcements that focus attention on the programs Habitat provides. These Public Service Announcements (PSAs) are distributed to television stations and radio stations nationwide that then deliver the announcements to assist Habitat in its mission, free of charge. Habitat has contracted with independent outside agencies to track the date and time that each PSA displays and to estimate the fair value of the announcement based on the date, time, and market. Donated product revenue related to contributed PSAs and associated expense in the amount of \$2,115,000 and \$1,173,000 has been recognized in the consolidated statements of activities for the years ended June 30, 2024 and 2023, respectively.

Additionally, a substantial number of volunteers have made significant contributions of their time in furtherance of Habitat's program and supporting services. The value of this contributed time is not reflected in the consolidated financial statements since it does not require a specialized skill. However, certain other contributed services that require specialized skills, when provided by individuals possessing those skills and otherwise would have needed to be purchased if not provided by donation, are recognized as revenue and expense. Such amounts, which are included in the accompanying consolidated statements of activities, totaled \$1,374,000 and \$720,000 for the years ended June 30, 2024 and 2023, respectively.

**Program Services**

Program services expenses include direct transfers to affiliates and partners of cash and donated product, as well as payments to other vendors made on behalf of affiliates. For cash contributions, program services expenses are recorded when a promise to give is made by Habitat and received by the recipient organization. For donated product contributions, program services expenses are recorded upon delivery of the donated product to the affiliate by Habitat or the donor.

**Habitat for Humanity International, Inc.**

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED**

**June 30, 2024 and 2023**

***Methods Used for Allocation of Expenses***

The consolidated statements of functional expenses present expenses by both function and natural classification. Expenses directly attributable to a specific functional area of Habitat are reported as expenses of those functional areas. A portion of management and general costs that benefit multiple functional areas have been allocated across program and other supporting services based on estimates of time and effort spent by staff. Depreciation and amortization are allocated using an allocation developed based on a review of the assets in service compared to the functions they support.

***Estimates in the Financial Statements***

The preparation of consolidated financial statements, in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates.

***Income Taxes***

Habitat is organized as a nonprofit corporation under the laws of the State of Georgia and is a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and corresponding Georgia provisions. Donors of cash and/or property are entitled to the maximum charitable contribution deduction allowed by law.

Habitat follows the guidance of Accounting Standards Codification (ASC) 740, *Accounting for Income Taxes*, related to uncertainties in income taxes, which prescribes a threshold of more likely than not for recognition and derecognition of tax positions taken or expected to be taken in a tax return. There are no material uncertain tax positions for Habitat for the years ended June 30, 2024 and 2023.

***Fair Value Measurements***

Habitat reports financial instruments at fair value in accordance with Financial Accounting Standards Board (FASB) ASC 820, which clarifies that fair value is an exit price, representing the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. As such, fair value is a market-based measurement that should be determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, ASC 820 establishes a three-tier fair value hierarchy, which prioritizes the inputs used in the valuation methodologies in measuring fair value:

- Level 1 - Observable inputs that reflect quoted prices (unadjusted) for identical assets or liabilities in active markets.
- Level 2 - Other inputs that are directly or indirectly observable in the marketplace.
- Level 3 - Unobservable inputs that are supported by little or no market activity.

The fair value hierarchy also requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. Observable inputs reflect the assumptions market participants would use in pricing the asset or liability developed from sources independent of the reporting entity, and unobservable inputs reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability developed based on the best information available in the circumstances.

**Habitat for Humanity International, Inc.**

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED**

**June 30, 2024 and 2023**

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methods used by Habitat as compared to the prior year.

Certificates of deposit are recorded based on their carrying value, which approximates fair value.

Common stock and mutual funds are principally valued at the regular trading session closing price on the exchange or market in which such funds are principally traded, using the market approach.

Equity (stock) funds listed or traded on any national market or exchange are valued at the last sales price as of the close of the principal securities exchange on which such securities are traded.

Fixed income (bond) funds, other than money market instruments, are generally valued at the most recent bid price of the equivalent quoted yield for such securities (or those of comparable maturity, quality, and type).

Auction rate securities are valued using a market comparable and/or discounted cash flow valuation approach.

Forward foreign exchange contracts consist of contracts that are valued primarily based on the spot currency exchange rate and the interest rate differential.

Cross-currency interest rate swaps consist of contracts that are valued primarily based on the spot currency exchange rate and discount curves based on local government treasury bill and bond auctions. Cross-currency interest rate swaps consist of both Level 2 and Level 3 inputs, based on the availability of the market data for the underlying currencies.

Annuity obligations are recorded at fair value based on Level 3 inputs and other relevant market data based on the present value of the estimated future cash outflows. For the years ended June 30, 2024 and 2023, the assumptions used in the valuation of the annuity liability include mortality in accordance with the 2012 Individual Annuity Reserving Table and a discount rate of 6% for all annuities, compounded annually, net of expenses. These rates are commensurate with the risks associated with the ultimate payment of the obligation. For the years ended June 30, 2024 and 2023, Habitat recorded losses from the remeasurement of the gift annuity obligation to fair value of \$145,000 and \$80,000, respectively, included as part of other income in the accompanying consolidated statements of activities.

***Fair Value of Financial Instruments***

Habitat's financial instruments consist of cash and cash equivalents, investments, receivables, accounts payable and accrued expenses, finance lease obligations, notes payable, annuity obligations, and investor notes payable. Cash and cash equivalents, receivables, accounts payable and accrued expenses, finance lease liabilities, notes payable, and investor notes payable are stated at cost, which approximates fair value. Investments and the annuity obligations are recorded at their fair values.

***New Accounting Pronouncements***

On July 1, 2023, Habitat adopted Accounting Standards Update (ASU) No. 2016 - 13, *Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, as amended, which replaces the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss (CECL) methodology. The adoption of this standard did not result in material changes in the allowance for loan loss. Under the CECL methodology, the allowance for loan losses is assessed on a segmented basis when similar characteristics exist. Loans that do not share risk characteristics are evaluated on an individual basis. Loans evaluated individually are not included in the collective evaluation.

Habitat for Humanity International, Inc.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

June 30, 2024 and 2023

The measurement of expected credit losses under the CECL methodology is applicable to financial assets measured at amortized cost, including loan receivables. It also applies to off-balance sheet credit exposure not accounted for as insurance (loan commitments, standby letters of credit, financial guarantees, and other similar instruments).

**Investments**

Certain investments are held in debt securities with contractual maturities. Such investments mature as follows (in thousands):

	2024	2023
Due in less than one year	\$ 154,221	\$ 179,878
Due in more than five years	20,454	20,554
	\$ 174,675	\$ 200,432

Investment income and net realized and unrealized gains are included in other income, net, and consist of the following as of June 30, 2024 and 2023 (in thousands):

	2024	2023
Net increase in fair value of investments, including realized and unrealized gains	\$ 10,008	\$ 3,705
Interest and dividends	1,286	3,023
Total investment gains	\$ 11,294	\$ 6,728

**Reclassifications**

The following table provides a reconciliation of the reclassification of the investment balance previously presented for the year ended June 30, 2023, (in thousands):

<b>Previously stated balance in investments as of June 30, 2023</b>	\$ 275,081
Reclassifications of investments in unconsolidated partnerships	(6,885)
<b>Revised balance as of June 30, 2023</b>	\$ 268,196

**NOTE 3 - FAIR VALUE MEASUREMENTS**

In accordance with ASC 820, Habitat records cash and cash equivalents and marketable securities at fair value. As of June 30, 2024 and 2023, investments in marketable securities include auction rate securities, which are classified within Level 3 due to a lack of a liquid market for such securities. Management determined the value of these securities based on information regarding the quality of the security and the quality of the collateral, among other factors.

Habitat for Humanity International, Inc.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

June 30, 2024 and 2023

In accordance with the fair value hierarchy described above, the following tables present the fair value of Habitat's financial assets and liabilities that are required to be measured at fair value, on a recurring basis, as of June 30, 2024 and 2023 (in thousands):

	Fair Value at June 30, 2024	Quoted Market Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
<b>Investments:</b>				
Certificates of deposit and other short-term investments	\$ 154,221	\$ 154,221	\$ -	\$ -
Investments in unconsolidated partnerships	10,379	-	-	10,379
Common stock and mutual funds	75,013	72,613	2	2,398
Auction rate securities	20,454	-	-	20,454
	<u>\$ 260,067</u>	<u>\$ 226,834</u>	<u>\$ 2</u>	<u>\$ 33,231</u>
<b>Derivative instruments:</b>				
Forward foreign exchange contracts	\$ 13	\$ -	\$ 13	\$ -
Cross-currency interest rate swaps	171	-	(132)	303
Total derivative instruments	<u>\$ 184</u>	<u>\$ -</u>	<u>\$ (119)</u>	<u>\$ 303</u>
<b>Liabilities:</b>				
Charitable gift annuities	\$ (5,770)	\$ -	\$ -	\$ (5,770)

	Fair Value at June 30, 2023	Quoted Market Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
<b>Investments:</b>				
Certificates of deposit and other short-term investments	\$ 179,878	\$ 179,878	\$ -	\$ -
Investments in unconsolidated partnerships	6,885	-	-	6,885
Common stock and mutual funds	67,764	65,354	2	2,408
Auction rate securities	20,554	-	-	20,554
	<u>\$ 275,081</u>	<u>\$ 245,232</u>	<u>\$ 2</u>	<u>\$ 29,847</u>
<b>Derivative instruments:</b>				
Forward foreign exchange contracts	\$ (162)	\$ -	\$ (162)	\$ -
Cross-currency interest rate swaps	(191)	-	(131)	(60)
Total derivative instruments	<u>\$ (353)</u>	<u>\$ -</u>	<u>\$ (293)</u>	<u>\$ (60)</u>
<b>Liabilities:</b>				
Charitable gift annuities	\$ (5,654)	\$ -	\$ -	\$ (5,654)

For the year ending June 30, 2023, Level 3, common stock and mutual funds included \$6,885,000 of investments in unconsolidated partnerships. For reporting purposes, this has been reclassified to provide consistency in reporting.

Derivative instruments are included in loans to microfinance institutions, net, on the accompanying consolidated statements of financial position.

**Habitat for Humanity International, Inc.**

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED**

**June 30, 2024 and 2023**

The following table provides a reconciliation of the beginning and ending balances for assets measured at fair value using significant unobservable inputs (Level 3) as defined in ASC 820 for the years ended June 30, 2024 and 2023 (in thousands):

	2024	2023
<b>Balance at July 1</b>	\$ 29,847	\$ 27,862
Purchases	3,192	2,781
Sales or redemptions	(10)	(350)
Net unrealized gains (losses)	202	(446)
<b>Balance at June 30</b>	<b>\$ 33,231</b>	<b>\$ 29,847</b>

The following table provides a reconciliation of the beginning and ending balances for derivative instruments measured at fair value using significant unobservable inputs (Level 3) as defined in ASC 820 for the years ended June 30, 2024 and 2023 (in thousands):

	2024	2023
<b>Balance at July 1</b>	\$ (60)	\$ 126
Net unrealized and realized (losses) gains	411	(492)
Settlements	(48)	306
<b>Balance at June 30</b>	<b>\$ 303</b>	<b>\$ (60)</b>

The following table provides a reconciliation of the beginning and ending balances for liabilities measured at fair value using significant unobservable inputs (Level 3) as defined in ASC 820 for the years ended June 30, 2024 and 2023 (in thousands):

	2024	2023
<b>Balance at July 1</b>	\$ (5,654)	\$ (6,704)
Additions to liabilities	(347)	(196)
Payments to annuitants	283	308
Terminations of liabilities	93	1,018
Net unrealized losses	(145)	(80)
<b>Balance at June 30</b>	<b>\$ (5,770)</b>	<b>\$ (5,654)</b>

Marketable securities measured at fair value using Level 3 inputs consist of auction rate securities and equity investments in various enterprises related to the mission of Habitat.

Auction rate securities require the use of Level 3 inputs to determine their value due to the lack of market activity and liquidity. Additionally, should Habitat have to sell the underlying securities prior to their maturity date or in a secondary market, the price received upon sale will be subject to prevailing market conditions. The underlying assets of the auction rate securities are collateralized primarily by the underlying assets of certain AAA, AA, and A-rated securities. Management assessed the value of the auction rate securities as of June 30, 2024 and 2023, using market comparables and/or discounted cash flow valuation approach. Under the market comparables approach, indications of fair value from the secondary market are used to estimate the discount from par value based on trading activity for similar securities. The discounted cash flow approach utilizes a discounted cash flow model in which the expected future cash flows of the Student Loan Auction Rate Securities are discounted back to the measurement date using a yield that compensates for illiquidity. Both valuation methods described above take into consideration the risk and uncertainty associated with the pricing, given limited market activity and information. Management assessed the value

**Habitat for Humanity International, Inc.**

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED**

**June 30, 2024 and 2023**

of these securities as of June 30, 2024 and 2023, using a range of supportable market rates based upon an agreement with a reputable broker or purchaser to buy back these securities at the values stated.

**NOTE 4 - INVESTMENTS IN UNCONSOLIDATED PARTNERSHIPS**

Habitat owns limited partnership interests in four CAG National Funds. The ownerships are 55%, 42%, 46% and 57% respectively. The companies were created to acquire vacant homes through the Department of Housing and Urban Development's Federal Housing Administration Office of Asset Sales. Because Habitat does not have control of these partnerships, Habitat's interest is accounted for under the equity method of accounting. Habitat invested an additional \$3,192,000 and \$2,157,000 for the years ended June 30, 2024 and 2023, respectively, and recognized earnings of \$302,000 and \$232,000 for the years ended June 30, 2024 and 2023, respectively. The earnings are reflected in Other Income in the accompanying consolidated statements of activities.

**NOTE 5 - CONTRIBUTIONS AND GRANTS RECEIVABLE, NET**

Contributions and grants receivable, net, as of June 30 consist of the following (in thousands):

	2024	2023
Contributions	\$ 98,221	\$ 100,921
Government grants	861	623
	99,082	101,544
Less unamortized discount	(13,968)	(14,922)
	85,114	86,622
Less allowance for uncollectibles	(6,355)	(7,599)
	\$ 78,759	\$ 79,023

Discount rates ranged from 0.7 percent to 4.9 percent for the year ended June 30, 2024, and from 0.7 percent to 4.0 percent for the year ended June 30, 2023.

These receivables are due as follows as of June 30 (in thousands):

	2024	2023
Due in less than one year	\$ 23,467	\$ 24,160
Due in one to five years	55,292	54,863
	\$ 78,759	\$ 79,023

Contributions receivable includes donated product amounts of \$14,374,000 and \$14,863,000 as of June 30, 2024 and 2023, respectively.

Net contributions receivable includes one donor in 2024 and 2023 whose individual net outstanding contributions receivable are greater than 10% of the total net outstanding contributions receivable. As of June 30, 2024 and 2023, the net contributions receivable associated with these gifts totaled \$54,755,000 and \$56,641,000, respectively.

**Habitat for Humanity International, Inc.**

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED**

**June 30, 2024 and 2023**

**NOTE 6 - AFFILIATE NOTES, NET**

Future principal payments on affiliate notes are as follows as of June 30 (in thousands):

Year Ended June 30,	2024	
2025	\$	15,540
2026		16,724
2027		7,953
2028		5,961
2029		2,506
Thereafter		924
		49,608
Provision for credit losses		(1,737)
Total	\$	47,871

**NOTE 7 - LOANS TO MICROFINANCE INSTITUTIONS**

Loans to microfinance institutions as of June 30, 2024, consist of interest-bearing loans, with interest rates ranging from 3.30% to 11.76% with maturities ranging from one to two years.

Future principal payments are as follows as of June 30 (in thousands):

	2024		2023	
2025	\$	21,658	\$	16,369
2026		7,127		21,333
2027		-		14,392
		28,785		52,094
Add value of derivative instruments		183		(355)
Less unrealized loss for currency exchange fluctuations		(318)		(118)
Less allowance for loan losses		(2,488)		(4,143)
	\$	26,162	\$	47,478

MicroBuild makes loans to microfinance institutions that are working in developing foreign markets and may be subject to increased risks due to political and regulatory environments, and overall market and economic factors in those countries. These risks are magnified in countries with emerging markets, since these countries may have relatively unstable governments and less established markets and economies. At June 30, 2024 and 2023, all of MicroBuild's loans to microfinance institutions are with twenty-four and twenty-five microfinance institutions in sixteen and seventeen countries, respectively. As of June 30, 2024 and 2023, loans to microfinance institutions in India comprised 13% and 12%, respectively, of the total outstanding portfolio.

In the event that a microfinance institution is unable to repay its loan according to its original schedule, MicroBuild pursues collection and workout plans including interest only payments, reduced payments and/or moratorium on payments, depending on the individual microfinance institution's circumstances. It is MicroBuild's preference not to provide any concession which reduces the loan's yield; however, there are some situations that warrant discontinuing interest payments for a certain period of time. Generally, MicroBuild discontinues interest accrual for all loans on which collection of interest is not reasonably expected (i.e., once the obligor becomes six months delinquent in paying its interest payments). Interest income on nonaccrual loans is recognized on a cash basis. Loans are returned to accrual status when all

**Habitat for Humanity International, Inc.**

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED**

**June 30, 2024 and 2023**

principal and interest amounts contractually due are brought current and future payments are reasonably assured. As of June 30, 2024 and 2023, MicroBuild had loans of approximately \$1,800,000 and \$3,000,000, respectively, which are greater than 180 days outstanding. Each of the loans greater than 180 days outstanding were fully reserved at June 30, 2024 and 2023.

Activity in the allowance for loan losses on loans to microfinance institutions is as follows for the years ended June 30 (in thousands):

	<b>2024</b>	<b>2023</b>
<b>Balance at beginning of year</b>	\$ 4,143	\$ 4,615
Allow ance for loan losses	1	109
Recovery of previous loan provision	(1,656)	(581)
<b>Balance at end of year</b>	<b>\$ 2,488</b>	<b>\$ 4,143</b>

Under ASC Topic 310-10, *Accounting by Creditors for Impairment of a Loan*, a loan is considered impaired when, based on current information, it is probable that an entity will not receive all amounts due in accordance with the contractual terms of the underlying loan agreement. The fair value of the loan is then compared with the recorded investment in the loan to determine whether or not a specific reserve is necessary.

The percentage of portfolio analysis for the impaired loans as of June 30, 2024 and 2023 is as follows (in thousands):

	<b>June 30, 2024</b>	<b>Percent of Portfolio</b>	<b>June 30, 2023</b>	<b>Percent of Portfolio</b>
Investment in impaired loans	\$ 2,706	10%	\$ 4,406	9%
Allow ance for loan losses on impaired loans	2,480	9%	3,862	8%
Remaining potential exposure, as of June 30	227	1%	544	1%

MicroBuild makes loans in foreign currencies, subject to various limitations, to accommodate clients who do not have access to U.S. currency. The portfolio includes loans made in several foreign currencies as listed below with the U.S. Dollar (\$) equivalent as of June 30, 2024 and 2023 as follows (in thousands):

<b>Currency</b>	<b>2024</b>	<b>2023</b>
U.S. Dollar	11,415	29,213
Euro	9,515	11,187
Indian Rupee	6,504	7,119
Peruvian New Sol	1,000	2,000
Moldovan Leu	-	1,122
Tunisian Dinar	351	703

	<b>Amount</b>
2025	\$ 15,500
2026	12,900
2027	1,000
	\$ 29,400

On June 22, 2012, MicroBuild, a limited liability company in which Habitat has a controlling interest, entered into a \$45,000,000 limited liability loan agreement with the U.S. International Development Finance Corporation (DFC - formerly OPIC), an agency of the United States. MicroBuild's three equity investors are required to match the remaining \$5,000,000 for this \$50,000,000 project. Additionally, Habitat is required to provide \$5,000,000 in guarantor letters of credit. These funds are then lent to microfinance institutions in various countries around the world. As of June 30, 2019, all of these commitments had been met by the three equity members, and the full amount had been drawn down from DFC.

Additionally, on May 18, 2016, MicroBuild entered into a second \$45,000,000 loan agreement with DFC. One new investor was added during the year ended June 30, 2016. MicroBuild's equity members have committed to contribute the remaining \$5,000,000 for this \$50,000,000 project. Additionally, Habitat must provide \$5,000,000 in guarantor letters of credit for the full loan agreement. As of June 30, 2021, all of these commitments had been met by the equity members, and the full amount had been drawn down from DFC.

MicroBuild is subject to certain covenants defined in the loan agreements with DFC, which include maintaining a specified ratio of the total of historical write-offs and the outstanding principal and interest accrued for nonperforming loans to the total assets of the fund. MicroBuild was in compliance with the covenants at June 30, 2024.

Habitat for Humanity International, Inc.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

June 30, 2024 and 2023

**NOTE 13 - INVESTOR NOTES PAYABLE**

Future principal payments on investor notes payable for the years ending June 30 are as follows (in thousands):

	<b>Amount</b>
2025	\$ 632
2026	1,105
2027	3,736
2028	547
2029	131
Thereafter	37,330
	<u>\$ 43,481</u>

Interest expense during the years ended June 30, 2024 and 2023, totaled \$775,000 and \$603,000, respectively.

Investor notes payable require Habitat to monitor the compliance by each affiliate participating in this program with the terms and conditions of the agreement.

**NOTE 14 - ENDOWMENT NET ASSET CLASSIFICATION**

Habitat's endowment increased by \$6,902,000 during fiscal 2024, for a total of \$65,880,000. Habitat's endowment consists of 30 individual funds established by donors to provide annual funding for a variety of purposes.

*Interpretation of Relevant Law* - The Habitat Board of Directors has interpreted the Georgia Uniform Prudent Management of Institutional Funds Act ("UPMIFA") of 2008 as requiring the assets of an endowment fund be donor-restricted until appropriated for spending, unless otherwise specifically stated in the gift instrument.

The Board believes its interpretation is consistent with its established board-approved investment and spending policy. In accordance with the investment policy and UPMIFA, all restricted endowment assets are invested on a pooled basis until appropriated for spending.

As a result of this interpretation, for accounting and financial reporting purposes, Habitat classifies the historic dollar value of assets received as its donor-restricted endowment, including any subsequent gifts and any accumulations to donor-restricted endowments made in accordance with the direction of the applicable donor gift instruments as net assets with donor restrictions.

In fiscal year 2023, the International Board of Directors approved and designated \$20,000,000 as a quasi-endowment. The earnings on these funds are to function as unrestricted support of the general mission of Habitat.

*Funds with Deficiencies* - From time to time, certain donor-restricted endowment funds may have fair values less than the amount the donor or UPMIFA requires Habitat to retain as a fund of perpetual duration.

*Return Objectives and Risk Parameters* - Habitat has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the historic dollar value of the endowment assets. Endowment assets include those assets of donor-restricted funds the organization must hold in perpetuity. Under

Habitat for Humanity International, Inc.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

June 30, 2024 and 2023

this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of benchmark indexes of similar asset classes while assuming a moderate level of investment risk. The targeted long-term rate of the return on net assets, net of fees, which is approximately 5.5 percentage points greater than the anticipated rate of inflation as measured by the Consumer Price Index. This return objective incorporates expectations of 3 - 5% spending and 1% growth. Actual returns in any given year may vary from this amount.

*Strategies Employed for Achieving Objectives* - To satisfy its long-term rate-of-return objectives, Habitat relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). Habitat targets a diversified asset allocation to achieve its long-term return objectives within prudent risk constraints.

*Spending Policy and How the Investment Objectives Related to Spending Policy* - In accordance with UPMIFA, Habitat considers the following factors in making a determination to appropriate and allocate assets for spending or accumulate assets of an endowment fund:

1. The duration and preservation of the endowment fund
2. The purposes of Habitat and its endowment fund
3. General economic conditions
4. The possible effect of inflation and deflation
5. The expected total return from income and the appreciation of endowment investments
6. Other resources of Habitat
7. The investment policies of Habitat

Endowment net asset changes for the years ended June 30, 2024 and 2023 (in thousands):

<b>Total expenditures of federal awards</b>	<b>\$ 28,187</b>	<b>\$ 17,072</b>

**NOTE 17 - EMPLOYEE BENEFITS**

Full-time Habitat employees who elect to participate are provided health and death benefits through the Habitat for Humanity International Welfare Benefit Plan (the Plan). The Plan requires contributions by participants. Expenses incurred by Habitat in connection with the Plan, which is partially self-insured, totaled \$11,423,000 and \$9,242,000 for the years ended June 30, 2024 and 2023, respectively.

Habitat provides through the Habitat for Humanity Retirement Plan (the Retirement Plan), a defined contribution retirement plan to eligible plan participants. There are three components to the plan: (1) participant contributions, (2) a Habitat match equal to 100% of the first 6% of wages contributed by participants, and (3) a discretionary annual contribution by Habitat to each eligible participant's account. Participants are fully vested in Habitat's contributions after three years of service. Habitat's contributions to the Retirement Plan totaled \$3,596,000 and \$3,444,000 for the years ended June 30, 2024 and 2023, respectively.

**NOTE 18 - LEASES**

Upon adoption of ASC 842, *Leases*, in fiscal 2023, Habitat elected the following practical expedients:

- Package of practical expedients which eliminates the need to reassess (1) whether any expired or existing contracts are or contain leases; (2) the lease classification for any expired or existing leases; and (3) the initial direct costs for any existing leases.
- The practical expedient whereby the lease and non-lease components will not be separated for all classes of assets.
- Not to recognize right-of-use ("ROU") assets and corresponding lease liabilities with a lease term of 12 months or less from the lease commencement date.

**Habitat for Humanity International, Inc.**

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED**

**June 30, 2024 and 2023**

- Use the rate implicit in the lease whenever that rate is readily determinable. Otherwise, the risk-free rate (such as government treasury bills) will be used.

Habitat assesses whether an arrangement qualifies as a lease (i.e., conveys the right to control the use of an identified asset for a period of time in exchange for consideration) at inception and only reassesses its determination if the terms and conditions of the arrangement are changed.

For existing leases, Habitat did not elect the use of hindsight and did not reassess lease term upon adoption.

Habitat adjusted the opening ROU asset balance based on its remaining deferred rent liabilities. On July 1, 2022, Habitat recorded \$11,651,000 in operating lease ROU assets and related operating lease liabilities. The adoption of ASC 842 had no significant impact on Habitat's profit and loss.

The following summarizes the line items in the statements of financial position which include amounts for operating and finance leases as of June 30 (in thousands):

	<b>2024</b>	<b>2023</b>

Less: interest	(878)	(56)
Present value of lease liabilities	11,210	424

The following table represents the weighted-average remaining lease term and discount rate as of June 30, 2024:

	<b>2024</b>	<b>2023</b>
Operating leases:		
Weighted average remaining lease terms (years)	4.75	5.70
Weighted average discount rate	2.06%	1.53%
Finance leases:		
Weighted average remaining lease terms (years)	1.92	2.09
Weighted average discount rate	1.62%	1.15%

The components of lease cost for operating leases are as follows (in thousands) as of June 30, 2024:

	<b>2024</b>	<b>2023</b>
Operating lease cost	\$ 2,395	\$ 2,281
Short term lease costs	103	210
Total	\$ 2,498	\$ 2,491

The lease costs are reflected in the Consolidated Statement of Functional Expenses in Office Expenses and have been functionally allocated based on the use of the office space.

**NOTE 19 - CONTINGENCIES**

Habitat is a defendant with respect to various claims that have occurred in the normal course of its business. Management and legal counsel believe the ultimate resolution of these claims will not have a material impact on Habitat's consolidated financial statements.

**NOTE 20 - AFFILIATE PROGRAMS**

International and U.S. national organizations and affiliates are independent, not-for-profit groups that are approved by regional, area, or national offices of Habitat and operate under an affiliation agreement with Habitat. All affiliates are encouraged to be self-supporting in their fundraising efforts; however, Habitat also solicits contributions, both cash and donated product, on behalf of its affiliates. Habitat retains variance

**Habitat for Humanity International, Inc.**

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED**

**June 30, 2024 and 2023**

power with respect to these contributions. Habitat has transferred cash and donated assets totaling \$142,739,000 and \$148,216,000 in 2024 and 2023, respectively, to international and U.S. national organizations and affiliates.

Some affiliates in developing countries, where severely limited resources constrain local fundraising, receive the majority of their funding from Habitat. All U.S. affiliates are expected to contribute a portion of their unrestricted cash contributions to support Habitat's work outside their own country. These contributions totaled \$17,114,000 and \$18,563,000 in 2024 and 2023, respectively.

Habitat agreed to guarantee a \$590,000 mortgage note made on February 1, 1999, for Uptown Habitat for Humanity, Inc. (Uptown). The obligation is payable to the Illinois Housing Development Authority (IHDA), a body created by and existing pursuant to the Illinois Development Act and is due and payable on August 1, 2028. The note is secured by mortgages that were assigned by Uptown to IHDA, pursuant to a prior loan agreement between Uptown and IHDA.

Habitat offers a program to U.S. affiliates to guarantee certain bond issuances in the event of default by an affiliate. The total amount guaranteed by Habitat under the program at June 30, 2024 and 2023 was \$3,150,000 and \$4,257,000, respectively.

**NOTE 21 - RELATED-PARTY TRANSACTIONS**

For the years ended June 30, 2024 and 2023, Habitat recorded \$8,892,000 and \$22,317,000 in contributions, respectively, and \$12,425,000 and \$8,176,000 in pledge payments, respectively, from members of Habitat's International Board of Directors (IBOD) and Habitat's Officers or from companies that they or their families represent. As of June 30, 2024 and 2023, Habitat had \$ 75,822,000 and \$75,202,000 of pledges receivable, respectively, from members of Habitat's IBOD or from companies that they or their families represent.

An officer of Habitat sits on the board of a digital marketing company that Habitat does business with. He has no engagement in any decisions to purchase their services. The total paid to this company in the years ending June 30, 2024 and 2023 was \$1,678,000 and \$1,592,000, respectively.

Several members of the IBOD are also on the Board of their respective national organizations. They all serve as volunteers and have no financial interest in the national organization.

**NOTE 22 - SUBSIDIARY AND RELATED ENTITIES' STATEMENTS OF FINANCIAL POSITION AND STATEMENTS OF ACTIVITIES**

On July 15, 2011, MicroBuild was formed. Habitat is a 51% owner of MicroBuild. The purpose of MicroBuild is to make loans to qualified microfinance institutions for the purpose of lending to housing projects in impoverished communities.

On March 25, 2011, MicroBuild India was formed. Habitat is a 74.79% owner of MicroBuild India. The purpose of MicroBuild India is to make loans to qualified microfinance institutions for the purpose of lending to housing projects in impoverished communities.
