

Collegiate Challenge Emergency management

Prepare for and learn how to manage medical emergencies during your Collegiate Challenge trip.

1 BEFORE YOU TRAVEL:

Ensure that everyone on your team completes and returns the emergency contact form before you depart for your trip.

2 WHILE TRAVELING:

How to handle a medical emergency:

If someone gets injured and has to seek medical attention, follow these steps:

1. Seek appropriate medical attention immediately.
2. Make the necessary emergency contacts per the emergency plan provided by the affiliate. The affiliate will complete an incident form for you.
3. The volunteer should pay for treatment, if necessary. Any necessary reimbursement will be made after the proper claim forms are processed.
4. Contact Chubb Accident and Health Claims at 1-855-434-4223 to report a claim and receive a claim form.

Contact Collegiate Challenge if you have any questions at colchal@habitat.org or by phone at (800) HABILAT.
